

Letter of Motivation

Introduction - As an aspiring professional in the field of finance, accounting and taxation, I am enthusiastic about the prospects of furthering my education through Freie Universität for **Master's in Finance, Accounting, and Taxation**. With a solid foundation in financial principles, coupled with practical experience in accounting, taxation. I am eager to immerse myself in an academic environment that fosters intellectual growth, critical thinking and hands-on learning.

Educational Background & Interests - Completing my **Bachelor of Management Studies** from University of Mumbai, Mumbai India with a **CGPA of 9.63** (German Grade 1.18) has been a pivotal milestone in my academic journey shaping my understanding of business principles and equipping me with essential skills for professional success.

During my Undergraduate studies, I delved into various factors of management, including business statistics, service marketing and operation research. This comprehensive curriculum provided me with a holistic view of organizational dynamics. My graduation in Bachelor of management studies not only honed my analytical and problem-solving abilities but also fostered my creativity and adaptability. Through case studies and group projects, I gained hands-on experience in applying theoretical concepts to real-world challenges, solidifying my understanding of management principles and practices.

In Summary, my graduation in Bachelor of Management Studies has equipped me with the knowledge, skills and confidence to thrive in a dynamic and competitive business environment. I am excited to leverage my academic background and pursue further studies or embark on a fulfilling career path that allows me to make a meaningful impact in the field of management. I have successfully completed the **IELTS** examination with 6.5 band.

Why Freie Universität Berlin? - Choosing Freie universität Berlin for further studies is a decision influenced by its esteemed reputation, diverse academic offerings, and vibrant academic community. Berlin, as a city, offers a unique blend of history, culture and innovation. As the capital of Germany, it serves as a hub for politics, business, arts and technology. Studying at Freie Universität Berlin provides students with access to this dynamic city offering endless opportunities for cultural exploration, professional networking and personal enrichment.

Why Germany? - Germany offers a compelling environment for studying taxation, accounting and finance making it an attractive destination for students pursuing expertise in these fields. As the financial center of Europe, Germany is home to major banks, financial institutions and multinational corporations. Studying finance, accounting and taxation in Germany provides students with access to a wealth of resources, industry connections and networking opportunities, facilitating internships, collaborations and career placements in prestigious financial firms.

In pursuing a **Master's in Finance, Accounting, and Taxation**, I'll acquire a thorough understanding of key concepts and practices vital for navigating the complexities of the financial sector. I'll explore advanced topics such as financial analysis, investment management, corporate finance, and risk assessment. Moreover, I'll develop proficiency in accounting principles, financial reporting, taxation laws, and regulatory compliance. This program will equip me with the strategic decision-making skills and financial modeling techniques necessary to excel in roles spanning finance, accounting, taxation, and related fields.

Conclusion - In conclusion, I am confident that Freie universität master's program in finance, accounting and taxation is the ideal platform for me to realize my academic and professional aspiration. With my passion for finance, and my eagerness to learn and grow. I am committed to making the most of this opportunity and emerging as a proficient and ethical finance professional.

Thank you for considering my application. I look forward to the possibility of contributing to the vibrant academic community at Freie Universität and embarking on this transactional journey towards achieving my goals in finance, accounting and taxation.

Sincerely,

Tarun Ramesh Gerela
