

# Letter of Motivation

## Introduction:

I'm writing to communicate my interest in the **Master in Finance program at Hochschule Schmalkalden**. I am **Tarun Ramesh, Gerela**. With a strong scholastic foundation, huge expert experience, and an enthusiasm for finance, I'm excited about the valuable chance to additional my schooling at your regarded organisation.

I graduated with a **Bachelor of Management Studies, accomplishing a CGPA of 9.63 (comparable to a German grade of 1.18)**, in February 2021. My scholastic process has been set apart by reliable excellence, as proven by my scores in the tenth and twelfth grades, where I got 90.60% (German grade: 1.43) and 80.92% (German grade: 1.88) separately. These accomplishments mirror my devotion and ability to succeed in thorough scholarly conditions. I appeared for the **IELTS Exam** and scored an overall band score of 6.5.

My personal experience includes filling in as an **executive in the accounts department at Gini and Joy Ltd.** in India from September 2021 to January 2023. This job furnished me with viable experiences in financial management, bookkeeping rehearses, and the complexities of corporate money. I was answerable for overseeing fiscal reports, getting ready spending plans, and dissecting monetary execution, which leveled up my scientific abilities and developed how I might interpret monetary frameworks.

## Why Master in Finance:

The Master in Finance program at Hochschule Schmalkalden stands apart from me because of multiple factors. First and foremost, the educational program's far-reaching inclusion of monetary hypotheses, quantitative techniques, and pragmatic applications adjusts impeccably with my vocation yearnings. The program's attention on worldwide money, risk the executives, and venture investigation is especially engaging as it will furnish me with the information and abilities important to explore the intricacies of worldwide monetary business sectors.

## Why Hochschule Schmalkalden:

Besides, Hochschule Schmalkalden's standing for scholarly greatness and its accentuation on commonsense learning makes it an optimal climate for my examinations. The college's obligation to cultivate a dynamic and steady learning local area is something I profoundly esteem. Moreover, the potential chance to gain from recognized employees who are specialists in their fields is a huge calculation of my choice to apply.

**Germany** is famous for its excellent school system, and concentrating here will give me an extraordinary chance to encounter a different and energetic social climate. The country's solid economy and its job as a worldwide monetary center proposition unmatched open doors for proficient development and improvement. By concentrating in Germany, I won't just acquire top-notch training but additionally, the opportunity to construct a worldwide organization of friends and experts, which is pivotal for a fruitful vocation in finance.

I'm interested in bringing my scholar and expert foundation, alongside my energy for finance, to Hochschule Schmalkalden. I'm sure that the Expert in Money program will give me the information, abilities, and potential to open doors important to succeed in my vocation. I request your thoughts on my application and expect to contribute emphatically to your regarded establishment.

Many thanks to you for thinking about my application. I anticipate the chance of joining Hochschule Schmalkalden and leaving on this thrilling scholarly excursion.

Yours sincerely,

**Tarun Ramesh Gerela**
