

# Letter of Motivation

## Introduction

I am **Sahil Sunilkumar Rohra**, and I'm writing to communicate my true interest in the **Master in Finance at Hochschule Schmalkalden**. With a hearty scholastic foundation and significant expert experience, I'm anxious to additionally foster my mastery of money and make significant commitments to the field.

I hold a **Bachelor of Commerce in Financial Market** from the University of Mumbai, where I graduated with an honorable **CGPI of 9.42**, comparable to a **German Grade of 1.29**. My scholastic process has been set apart by a reliable quest for greatness, as proven by my high scores in both the Higher Optional Endorsement Assessment (91.23%, German Grade 1.39) and my tenth-grade assessments (85.60%, German Grade 1.6). These accomplishments mirror my commitment, logical abilities, and solid primary information in finance.

Notwithstanding my scholarly capabilities, I have acquired viable experience filling in as a Treasury Analyst at SVAMAAN Monetary Administrations Pvt. Ltd., part of the JSW Monetary Gathering, since April 2023. In this job, I have leveled up my abilities in monetary examination, risk to the executives, and liquidity to the board. My obligations have included dissecting market patterns, overseeing incomes, and upgrading monetary assets. This experience has developed how I might interpret monetary frameworks as well as filled my energy for propelling my profession in this unique field.

Besides, I have exhibited capability in English, as proven by my **IELTS score of Overall 7.0**, and Speaking: 7.0, Listening: 7.0, Writing: 7.0, and Reading: 6.0 respectively. This phonetic capability guarantees that I can actually draw in with the course material and convey it consistently in a worldwide scholarly climate. Other than this, I completed the **"NISM Series- XV Research Analyst Certification Examination"** and **"NISM-Series- V-A: Mutual Fund Distributors Certification Examination"** under SEBI.

## Why Masters in Finance

The Masters in Finance program at Hochschule Schmalkalden adjusts impeccably with my vocational yearnings and scholarly interests. The thorough educational plan, which covers progressed monetary hypotheses, quantitative techniques, and useful applications, offers the profundity and broadness I look to succeed in the money business. I'm especially attracted to the program's accentuation on experimental examination and genuine critical thinking, which will furnish me with the decisive reasoning and scientific abilities important to explore the intricacies of worldwide monetary business sectors.

My drawn-out objective is to turn into a **monetary specialist**, where I can use my insight to drive monetary development and key dynamics in a main monetary foundation. This expert program will give me the high-level instruments and philosophies expected to accomplish this goal, encouraging my development into capable and vital money proficient.

## Why Hochschule Schmalkalden

Hochschule Schmalkalden stands apart as an optimal organization for my postgraduate examinations because of its solid standing in finance schooling and its obligation to give a thorough and strong learning climate. The college's best-in-class offices, experienced staff, and accentuation on reasonable learning through temporary positions and tasks are exceptionally interesting to me. Furthermore, the chance to communicate with a different companion of understudies will enhance my opportunity for growth and widen my viewpoints on worldwide money.

## Why Germany

Germany is eminent for its greatness in advanced education and its flourishing monetary area. Concentrating in Germany will furnish me with admittance to elite schooling and the chance to drench myself in a strong economy that is at the very front of monetary development. Also, Germany's essential area in Europe offers unmatched admittance to major monetary centers, working with significant systems administration and professional open doors.

All in all, I'm anxious to join the Masters in Finance program at Hochschule Schmalkalden to propel my ability and accomplish my vocational desires. I'm sure that the program's thorough educational plan, combined with the college's strong climate, will give me the establishment expected to succeed in the money business. I consciously demand the entrance advisory board to consider my application well, and I'm excited about the chance of adding to and becoming inside the Hochschule Schmalkalden people group.

Many thanks for considering my application. I anticipate the valuable chance to additionally talk about my nomination.
