

STATEMENT OF PURPOSE

My name is **Daya Shankar, Yadav** and I am writing this statement of intent to convey my great will to study a **Master of Science in Business Management & Finance** at your prestigious **university, Gissma**. I have always found business management and finance to be fascinating, hence I am anxious to delve into this interesting territory more.

Academic and Professional

Under the Central Board of Secondary Education, New Delhi, India, I finished my classes tenth and twelve in 2019 and 2021. Currently I have completed my Bachelor of Business Administration (BBA) program at Maharshi Dayanand University, Rohtak, India. Over my studies, I have developed a thorough awareness of business concepts including regulations, management, communication, and corporate organization. Extracurricular events and different training programs have further boosted my academic path. Having finished courses in **stock market** basics and **digital marketing**, I have expanded my knowledge and abilities in both fields.

From October 2023 to March 2024, my career experience is as an **SEO Executive** at **Thaver Tech Pvt. LTD.**, India. In this capacity, I created high-quality SEO material, performed on-site and off-site research on web SEO competitiveness using Google Analytics, and created performance reports. This knowledge of digital marketing techniques and practical abilities has come in really handy. I also took part in Kotak Securities LTD.'s Financial Literacy **program "Kona Kona Shiksha,"** where I answered 60% on the next question.

Why this Program?

Combining important aspects of corporate strategy, financial analysis, and decision-making—all of which are critical in today's global economy—a Master of Science in corporate Management & Finance appealed to me. This degree will provide me thorough understanding of company management methods, corporate finance, and financial markets. The learning results—mastering financial risk management, knowledge of sophisticated financial structures, and development of managerial and leadership abilities—fit my goals. Leading financial strategies for companies, helping to promote sustainable financial development, and finally launching my own business where I can apply these sophisticated business and financial ideas define my future objectives.

Why Gissma?

I selected Gissma for a number of factors. First of all, Gissma is well-known for her solid standing for offering top-notch business and finance study along with schooling. The university's multidisciplinary degrees and programs like the "Excellence in Science" certificate clearly show its dedication to provide its students a wide skill set. Furthermore, Gissma's strong support of research initiatives across departments including Research and Transfer and Research Data Management emphasizes how well it facilitates significant academic inquiry. Germany's dynamic cultural scene and first-rate standard of living also appeal to me and help to pull international students here.

Why Germany?

Many elements shaped my choice to study in Germany. Germany's internationally known quality in education and its center of technological innovation drive me to desire to apply there. Since the field education compared is much better than other locations, I aim to remain in Germany. I wish to be among the rich German culture, diversity, and good exposure. Studying in Germany will provide me access to a vibrant atmosphere for research and development, so helping me both personally and professionally. The chance to be part of a society that celebrates creativity and brilliance and to learn from the finest brains in the area excites me especially.

Occupation Objectives

After finishing the MSc Business Management & Finance programme, I want to get employed as **Investment Banker, Business Consultant or Financial Analyst.** The curriculum will equip me with the knowledge and skills required to excel in these positions and help the companies I work for to flourish. Working in any country will allow me to assist multinational businesses negotiate the complexity of foreign markets and contribute to their expansion.

Summary

I want to thank you at last for giving my application some thought. The MSc Business Management & Finance programme at Gissma will give me the knowledge, abilities, and chances required to reach my professional objectives, I am sure of. From your end, I should expect a favorable answer.

Respects,
Daya Shankar, Yadav
