

Letter Of Motivation

I am **Omkar Maruti, Kamble** am writing to convey my genuine enthusiasm in following the **Master of International Marketing and Sales at FH Münster University of Applied Sciences**. The concept of attending your prestigious university excites me much; this program of study exactly fits my academic background and career goals.

Academically, I finished my **Bachelor of Commerce at the University of Mumbai with a CGPI of 7.55, (German grade of 2.2)**. I studied a wide range of topics including Financial Accounting & Auditing, Business Development, Business Economics, Direct & Indirect Taxation, Business Communication, and Advertising. I completed 15 years of English-medium education successfully shows my language ability.

Apart from my intellectual success, many careers and internships have given me invaluable experience. My interests are trade, travel, and photography, which have helped me to grow to have a varied personality. These pursuits have helped me to appreciate the need of patience, observation, and analytical abilities qualities necessary for a successful career in international business and economics.

Why Master in Sales and International Marketing? My career goals completely match the **Master in International Marketing and Sales program**. Growing up in Mumbai, a busy city, I found great fascination in how companies present their goods and services to different markets. During my undergraduate studies, where I found great fascination in disciplines like Business Communication and Advertising, my passion grew even further. Working on a study analyzing local company marketing techniques helped me develop an interest in the worldwide market. Essential for grasping worldwide customer behavior and market dynamics, this course will give me specific knowledge in international marketing and sales. Particularly fascinating to me are modules like Consumer Behavior and International Market Research since they will provide me the tools I need to design winning marketing plans. Along with technical knowledge, this curriculum will improve my interpersonal abilities; therefore prepare me for a successful future in international marketing.

Why Germany? Germany's high caliber of instruction and strong focus on practical learning have me hoping I could study there. Since the educational sector in Germany is significantly better than that of other countries, I wish to remain there. Germany presents a great range of diversity and culture that I wish to see. Germany's robust economy and lots of chances for internships and employment appeal to me as my master's program location. Studying in Germany helps me to develop personally as well as professionally. Germany is the perfect location for my studies since I want to completely experience the rich cultural legacy and sophisticated educational system. Studying in Germany will provide me the chance to engage with individuals from all backgrounds and acquire a worldwide viewpoint, so helping me to grow both personally and professionally. Being an international student makes me feel protected and I want to be around in a culturally varied setting. With Germany's educational system, I hope to develop personally and professionally alike. Discovering Germany's rich cultural and historical history will enhance my educational process.

Why FH Münster University of Applied Sciences? Applying to **FH Münster University of Applied Sciences** drew me in because of its usually sought-after practical approach and caliber of instruction. The university ranks among the best in Germany, which says much about its intellectual quality. The facilities and the encouraging professors at FH Münster really excite me since they will create a favorable classroom. My choice was motivated by a friend who studied at FH Münster and had a transforming experience. The research centers and the chance to pick knowledge from seasoned teachers thrill me. I find extra appeal in Münster because of its rich history and energetic culture. Münster's businesses, such Siemens and BASF, give graduates outstanding employment possibilities, which makes this a perfect location for my professional development. Attaching FH Münster will provide me intellectual, personal, and professional advantages as well as equip me for a successful future in international marketing. Strong relationships between the institution and these businesses will, in my opinion, offer outstanding internship and employment prospects, so enabling me to progress in my career.

After earning my Master in International Marketing and Sales, I intend to find work as **Sales Director, International Marketing Manager, or Market Research Analyst**. I wish to work; the marketing professional employment market is flourishing there. This curriculum will equip me with the abilities required to shine in these positions. Working with multinational businesses that appreciate diversity and innovation particularly excites me. Achieving my career objectives will be much enhanced by the industry contacts and practical experience acquired during my studies at FH Münster.

Finally, The Master in International Marketing and Sales program at FH Münster University of Applied Sciences will surely provide me the tools I need to reach my career objectives. The active academic community at FH Münster excites me to participate in and grow from. I value your giving my application some thought.

**Respected,
Omkar Maruti, Kamble**
