

Statement of Purpose

I am **Omkar Maruti, Kamble**, I am writing this letter to demonstrate my motivation towards seeking admission for the **International Business and Economics (M.A.) at Hochschule Schmalkalden**. This letter seeks to give a general picture of my academic background, work experience, and reasons for choosing this particular program.

Academically, I finished my **Bachelor of Commerce at the University of Mumbai with a CGPI of 7.55, (German grade of 2.2)**. I studied a wide range of topics including Financial Accounting & Auditing, Business Development, Business Economics, Direct & Indirect Taxation, Business Communication, and Advertising. I completed 15 years of English-medium education successfully shows my language ability.

Apart from my intellectual success, many careers and internships have given me invaluable experience. My interests are trade, travel, and photography, which have helped me to grow to have a varied personality. These pursuits have helped me to appreciate the need of patience, observation, and analytical abilities qualities necessary for a successful career in international business and economics.

Why International Business and Economics (M.A.)- International Trade and Economics (M.A.) felt like the next step from my academic route, having a strong background in business and economics. Understanding worldwide economic trends and corporate tactics has piqued my interest in the disciplines I researched—business development, business economics, financial accounting & auditing, and direct and indirect taxation. I want to grasp financial markets, economic policy, and worldwide trade more fully. For my work in policy-making and global corporate analysis, these subjects are absolutely vital. In positions like Trade Policy Advisor, Economic Analyst, and International commercial Consultant which call for knowledge of international economics and commercial strategies—I see myself. Through the learning results of this program policy knowledge and interpersonal skills I hope to develop both personally and professionally. This training will, in my opinion, equip me with both professionally and interpersonal abilities, therefore enabling me to advance both personally and professionally.

Why Germany- Germany offers excellent educational possibilities, particularly in the fields of business and economics, hence I want to study there. The German educational system is significantly better than those of other countries, hence I wish to remain here. Studying in Germany will provide me the wonderful exposure, diversity, and rich German culture I am yearning. Germany will enable me to advance both personally and professionally, hence I wish to pick it for my master's degree. I want to really become part of the German way of life, which prizes efficiency, creativity, and timeliness. The chance to learn from top professionals and acquire useful knowledge in a nation renowned for its robust economy and technology developments appeals to me. Being an international student makes me feel protected and I want to be around in a culturally varied setting. With Germany's educational system, I hope to develop personally and professionally alike. Discovering Germany's rich cultural and historical history will enhance my educational process.

Why Hochschule Schmalkalden- Hochschule Schmalkalden is distinguished with strong academic standards and a broad program in International Business and Economics. The university provides certain courses appropriate for my interests and professional objectives such International Trade, Economic Policy, and Financial Markets. The university is dedicated to create a friendly classroom with first-rate research facilities. Studying these modules will provide me the knowledge and abilities required to succeed in the worldwide corporate scene, hence I am rather motivated to do it. Technical knowledge and interpersonal skills are among the learning results from this curriculum; these are vital for both personal and professional development. The university provides a variety of tools to help students in their academic and personal growth and has a varied student body. Applying has been influenced by friends of mine who have studied at Hochschule Schmalkalden and had glowing recommendations of their experiences.

With the International Business and Economics (M.A.) program at Hochschule Schmalkalden, I am sure I will have the knowledge and abilities required to reach my professional goals. I want to be in professional roles including **Trade Policy Advisor, Economic Analyst, and International Business Consultant**. My master's especially interests me since the nation presents a strong employment market and lots of chances for development in the field of international business and economics.

Finally, I have a strong academic background, some useful professional experience, and well stated career goals. These qualities help me adapt quite well with the International Business and Economics (M.A.) course at Hochschule Schmalkalden. Using the information and abilities this education offers in the sphere of international business and economics excites me. They will help me to reach my long-term career goals.

Realistically,

Omkar Maruti, Kamble
