

Letter of Motivation

Introduction

My name is **Varshini, Ramapuram Nayaki**, and I hereby write to apply for admission to the **Master of Science in Business Economics program** at **Otto von Guericke University Magdeburg**. Proper academic preparation, work experience, and passion for business economics led me to think that further education in this program will be beneficial for my career and will give me precisely tuned tools for global business.

Academic, Professional, Project, and Extra- Curricular

I earned my **Bachelor of Business Administration (Honors)** from Reva University in Bangalore, India with a **cumulative grade point average** of **8.07(German grade:2.1)**. In my Undergraduate degree program, I was exposed to various courses including Management Principles, Business Statistics, Human Resource Management and Macro Economics amongst others. Before my undergraduate education, I completed my Intermediate Public Examination (**12th class**) under the Board of Intermediate Education, Andhra Pradesh, scoring a **CGPA of 7.84 (German grade equivalent: 2.0)**, and from secondary school, the Secondary School Certificate **10th class**, Board of Secondary education Andhra Pradesh, **GPA of 9.7 (equivalent to German grade: 1.1)**. I also took an **internship** position in the capacity of **Business Development Intern** at **Mach IT Private Limited, Bengaluru**. I assisted in a project called ‘**A Study on the Idea of an EdTech Start-Up**’ where I was required to research the market and draw strategies from the market trends and practices of the existing competitor companies in order to develop ideas for improving educational technology services. In my academic project at Reva University, I also prepared a detailed study on “**Idea of an EdTech Start-Up**” which highlighted the role of technology in the education-based learning process. On this project, I have been able to practice the research, analytical, and presentation skills in the course. Other special accomplishments include **extra activities** for which I have also participated in my learning process. While participating in **Revthsava’23** I stood **third** in the “**Best Entrepreneur**” competition and **second** in the “**Marketing Competition**” which proves my leadership and strategic thinking abilities. I also contributed my efforts to some **community service programs** at **Reva University**. After that, I took **IELTS** and got **6.5** on average, which also proved my efficiency in the **English language**. Also, I Completed **15 years** of Education in the **English Language**.

Why Master of Science in Business Economics?

The offered **Master of Science in Business Economics** at **OVGU Magdeburg** facilities fully corresponds to my educational experience and planned professional activity. This program aims to develop more analytical skills and a systematic approach to solving business problems to arrive at a sound decision-making solution. The availability of a chance to major in fields like Finance, Management, Entrepreneurship, and Marketing and E-Business interests me as they relate well with my passion for business strategy and market information. The concept implemented in the program of interdisciplinary research familiarizes students with management and consulting professions as it provides both theoretical models and practical programs of their application. Such general skills as taking courses in German and English, as well as an international focus that is present in many modules, will help me to function effectively in the international business setting. I always anticipated a combination of subject-specific competencies with international dimensions, as that is essential for today’s business world. Careers available to graduates of this program include professional positions in the private and public sector management, starting a business, or continuing to the Ph.D.

Why Germany?

Germany can be considered an appropriate country to pursue tertiary education because of its quality education system that is recognized the world over. The country has a very stable economy hence allowing many students to undertake internship programs in fields like finance and manufacturing, information technology among others. In addition, being a country that invests heavily in research and innovation, **Germany** can be an ideal place for aspiring business economist students. Further, opposite to many other industrialized nations, Germany’s public universities offer quality education at a relatively inexpensive fare. Germany has a diverse culture and many international students which provides an excellent learning climate. In addition, the country lies in the central region of Europe thus providing a strategic point of doing business and all other economic activities.

Why OVGU Magdeburg?

Otto von Guericke University Magdeburg has a very high academic visibility, and it offers a tremendous emphasis on research in economic and business fields. This aspect pertains to the Cross-sectional nature of the University Business economics degree one of the main factors that attracted me. Libraries and access to research facilities and well-equipped libraries, modern Infrastructures, including **OVGU** will improve my learning. In addition, its international orientation combined with cooperation with universities from around the world also corresponds with my desire to enter the international business world. I also like the specific services to a career that the university offers, which will help me get internships and job networking. Finally, the location of Magdeburg is suitable for academic development since it is a historic city, with a low cost of living, and a powerful student life.

Conclusion

Therefore, I am sure about my competitive profile, which consists of my academic background, my work experience, and my passion for business economics to become a student of **OVGU Magdeburg Masters of Science in Business Economics**. I’ve always been interested in providing my input and advancing myself in this invigorating sphere and I am ready to continue my studies at this university.
