Introduction

My name is **Varshini, Ramapuram Nayaki**. I am interested in acquiring a **Master of Science in Economics and Finance** at **Rhine-Waal University of Applied Sciences**. Having earned a bachelor's in business administration from Reva University, India, I have a base knowledge, and I wish to polish as well as learn more in the field of economics and finances to reach my career goals.

Academic, Professional, Project, and Extra- Curricular

I earned my **Bachelor of Business Administration (Honors)** from Reva University in Bangalore, India with a **cumulative grade point average of 8.07(German grade:2.1)**. In my Undergraduate degree program, I was exposed to various courses including Management Principles, Business Statistics, Human Resource Management and Macro Economics amongst others. Before my undergraduate education, I completed my Intermediate Public Examination (**12th class**) under the Board of Intermediate Education, Andhra Pradesh, scoring a **CGPA of 7.84 (German grade equivalent: 2.0)**, and from secondary school, the Secondary School Certificate **10th class**, Board of Secondary education Andhra Pradesh, **GPA of 9.7 (equivalent to German grade: 1.1)**. I also took an **internship** position in the capacity of **Business Development Intern** at **Mach IT Private Limited, Bengaluru**. I assisted in a project called 'A Study on the Idea of an **EdTech Start-Up**' where I was required to research the market and draw strategies from the market trends and practices of the existing competitor companies in order to develop ideas for improving educational technology services. In my academic project at Reva University, I also prepared a detailed study on "**Idea of an EdTech Start-Up**" which highlighted the role of technology in the education-based learning process. On this project, I have been able to practice the research, analytical, and presentation skills in the course. Other special accomplishments include **extra activities** for which I have also participated in my learning process. While participating in **Revthsava'23** I stood **third** in the "**Best Entrepreneur**" competition and **second** in the "**Marketing Competition**" which proves my leadership and strategic thinking abilities. I also contributed my efforts to some **community service programs** at **Reva University**. After that, I took **IELTS** and got **6.5** on average, which also proved my efficiency in the **English language**. Also, I Completed **15 years** of Education in the **English Language**.

Why Master of Science in Economics and Finance Program?

The **M.Sc. in Economics and Finance** at **Rhine-Waal** is the right choice to augment my undergraduate learning in business administration with mastery in economics and finance. This course includes state-of-the-art techniques and practical uses of economics, company finance, and the global financial system, which perfectly complies with my career plans. Through behavioral economics, analysis of actual markets, and econometrics, practical skills in research methodologies will be gained. The macroeconomic, social, legal, and ethical perspectives, discussed in the program, will offer me the necessary broad-based perspective of the international financial system. This ensures the point about value-oriented, ethical behaviors in business which I also consider as major and relevant to my passion of encouraging sustainable economic development. Moreover, receiving an education in English and observing these subjects from an international perspective will serve as a means to improve my familiarity with the advanced jargon used in economics. This will equip me for a career in financial institutions, consultancy firms, and regulatory bodies, and open the door for research or even a PhD.

Why Germany?

Germany is well recognized as the land of ideas, invention, and quality education and research. On the economic front, it is very strong, and its financial structure is good enough that provide a good environment for academics related to economics and finance. They have access to internships, research, and job openings with many multinational companies and financial institutions based in the country. Education in **Germany** has always been challenging, and they value theory together with experience from practice a lot. Ever since the start of the new millennium, German universities have focused on providing research courses for students; it lets the brains work, think, and create. The inexpensive educational system combined with a large number of scholarships and grants for international students makes **Germany** an ideal choice for learning.

Why Rhine-Waal University?

Rhine-Waal University of Applied Sciences is distinctive for its pragmatic approach and interdisciplinary orientations which are particularly topical in such sectors as economics and finances. The other attribute of the university is that it focuses on the practical competencies I require to solve modern economic and financial problems. The international aspect of the program guarantees an opportunity to see different approaches, which is necessary to form a complete picture of the financial markets. The research culture and relationship with the industries of the university will help me to progress in the field of finance. Based on **Rhine-Waal's** innovative resources for such facilities as equipment and research databases, I would improve my empirical knowledge and technical experience. Such an environment of support, prosaic to a degree, along with the tools to reach experienced faculty members, will let me build a strong academic and personal profile.

Conclusion

Finally, I believe that the **Master of Science in Economics and Finance** at **Rhine-Waal University of Applied Sciences** will offer me the academic and professional hands to realize my long-term career interests. I am excited to become a part of the thriving academic community at the university, learning and growing in economics and finance. I am so certain this place is a very prestigious university that I hope to be given the chance to attend here.

Thank you for considering my application.

Yours sincerely,

Varshini, Ramapuram Nayaki
